Pastor Danny R. Hollins, PhD

Hello Neighbor:

Grace and peace to you from God our Father and the Lord Jesus Christ (I Cor. 1:3).

I am Pastor Danny R. Hollins of the Grace Inspirations Church. We have recently located in your community; and we want to let you know about some of the things we are doing to strengthen the lives of individuals and the community at large.

Included with this correspondence are the following:

- A brief description of the character of our church
- Upcoming events and plans for the future
- A brief survey to determine your interest level in some of the community programs we are developing

~ Character of Grace Inspirations ~

Motto: “Seeing People through the Eyes of Jesus”

Scripture: “But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd.” ~ Matt. 9:36

Mission Statement: Our mission is to impact the lives of individuals by:

Touching them with the Heart of Christ and

Transforming them for His work in the Kingdom by

Teaching them practical principles of abundant living

Statement of Christian Belief

We are a Christian Church and we believe in the death, burial, resurrection and ultimate return of Jesus Christ. We believe the Bible to be the Word of God, and it is the guide to knowing the plan and purpose of God for humanity and the preparation for the world to come.

Statement of Social and Community Belief

We believe the church is central to the fabric of the community and that the Black Church, in particular, has a unique responsibility as a “Catalyst for Change” and fostering stability. Thus, we believe in collaborating with other community entities in order to address the educational, health and economic needs, and to promote the upward mobility of those we serve.
